

Woodside Football Club welcomes you to

Stadium Brooklands

Where young players are inspired, develop and compete

A Warm Welcome to All

Woodside Football Club is an inclusive club promoting fair play, respect for the players, officials and supporters and, above all, share a passion for the 'beautiful game'. If you're an away team on your travels, we promise you a warm welcome at Brooklands Stadium and look forward to seeing you for the match. If you just want to find out where we play, or bring your player along for the first time, here is the information you need to find us.

Stadium Location

Brooklands Stadium is located on the playing fields of Brooklands Middle School in Leighton Buzzard.

The address is:

Brooklands Middle School
Brooklands Drive
Leighton Buzzard, Bedfordshire,
LU7 3PF

Pitch Details

When you arrive at Brooklands Stadium, follow the road around to the back of the school. There is plenty of parking available on the concrete playground - just watch out for the netball posts. The pitch location depends on the which team you are playing. Just ask the nearest friendly looking Woodside official and they will happily guide you in the right direction.

A Polite but Firm Request

Because we play on school premises and their playing fields, smoking (including e-cigarettes) is strictly prohibited. And as welcoming as we are as a football club, unfortunately team dog mascots (or any other animals) are also not permitted on the grounds. Thank you.

Team Colours

Our team colours are sky blue and navy. Please let us know if there is any risk of colour clash between the teams and we will make bibs available for the homes team.
